A NEW VIEW IN REAL ESTATE MARKETING

Cleaning / Staging Policy

Given that we operate with a staff and a schedule that allow for very little delay in each session, we ask that each property be ready to shoot when we arrive (i.e. clean, all lights on and working, rooms not to be included in the Tour closed off, etc.). We have no problem helping with minor things to make sure that the Tour will look as amazing as possible, like which doors to have open or getting the window blinds just right for the light. However, we cannot be arranging furniture or changing light bulbs or mopping floors when we arrive. Delays like that prevent us from being able to give each property the attention it deserves. If the work that we have to do when we get there delays us by more than 20 minutes, a staging fee of \$75 will be added to the final invoice. Delays over an hour will have a fee of \$150.
