IMPORTANT: You will have to check **NO** to the **Property Panorama Tour** to ensure that your new VantagePoint3D Tour becomes the default 3D tour for the property.

Note: Your tour is branded by default, so anyone looking at it will see that you are the exclusive Agent/Team. However, since branding is prohibited by most MLS's (FMLS, GMLS, etc.), our website will automatically remove the branding when a user clicks on link from the MLS. This will allow you to be in compliance and allow users coming in from 3rd Party sites to see the branding so they know you.

Do **NOT** copy and paste the link from the address bar for the either MLS. This will result in the Branded tour to populate and will be **REMOVED** by FMLS & GMLS.

Thank you for choosing VantagePoint 3D
