

A NEW VIEW IN REAL ESTATE MARKETING

Viewing your VantagePoint 3D in Virtual Reality

What is the VR Button on 3D Showcase?

The easiest way to open a VantagePoint 3D VR Space is with the **VR button on 3D Showcase**. We include this button automatically -- no extra work necessary.

VR Button in your Showcase

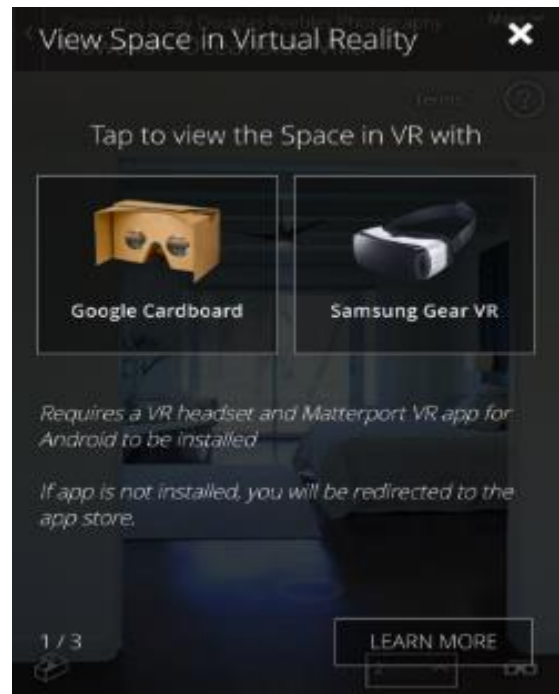

VantagePoint3D

A NEW VIEW IN REAL ESTATE MARKETING

**Just tap the VR button,
choose your platform, insert
your phone into VR headset,
and enjoy the VR Space!**

If you're using the **Samsung Gear VR**, you need a Samsung Galaxy smartphone. The following models are supported:

- [Galaxy S7](#)
- [Galaxy S7 Edge](#)
- [Galaxy Note 5](#)
- [Galaxy S6 Edge+](#)
- [Galaxy S6](#)
- [Galaxy S6 Edge](#)

What do I need for Virtual Reality?

You need three things to use Matterport VR:

- Virtual reality headset
- Smartphone
- Matterport VR app
 - **Gear VR** - [Download from inside the Oculus app](#). Insert phone into the Gear VR if you do not have the Oculus app.
 - **Cardboard (Android)** - [Download from the Google Play Store](#).

VR Viewing Tips

Clean the smartphone before use for a clear picture.

Clean the headset **regularly with a disinfecting wipe** to prevent the spread of disease.
